BECOMING LIKE CHRIST:

09 - Be Faithful

Text: Proverbs 3:1-8: Various

Date: 10-28-2018

Integrity is the quality of living up to a consist moral standard. The state of being undivided and true. God is faithful (De 32:1-4; Ps 36:5-9) and we as followers of Christ we are to be faithful too (Pr 3:1-8). There are two implications for us today.

1. We are to be _____ (2 Co 5:7; Nu 11:10-15; 1 Ki 19; Je 20:7-18; 2 Co 1:8-9; Mt 11:2-19; Lk 7:18-35; Da 3:17-18)
It's easier to be faithful when God is doing things that align with your plans. But it is harder when things are going tough and God's will is different than ours. We need to stop looking at what God *isn't* doing and look at who He is and what he *is* doing. Be faithful in all circumstance.
2. We are to be _____ (Mt 23:23; Ja 2:14-26). Being faithful is more than just looking for favor by following the rules like the Pharisees, Scribes, and Sadducees. We need to be faithful in our roles and relationships, faithful in our words, faithful in our actions. Our faith in God should be also expressed in the way we treat others. Then they can see our faithfulness as a reflection of God's love and faithfulness. In all our relationships we need to be faithful.

There are rewards to being faithful. Solomon mentioned favor and a good name with God and man. That is true. But another reward is a crown that doesn't fade (1 Co 9:25; Ja 1:12; Re 3:11). That crown is eternal life with Jesus Christ our Lord!

Do you need to make a decision to be faithful to God and others? We invite you to come today.

GOD IS FAITHFUL! BE FAITHFUL!
