

SERMON NOTES:

**The ACTS of US: 24- The Gospel Perspective**

Text: Acts 13:42-52; Various

Date: 07-12-2020 Beaver Creek Christian Church

Our perspective is very important to us. Perspective is how we see the world, our own reality. Everything we do or say is a result of our perspective. It can protect us and motivate us. But our perspective should always be in line with God's viewpoint. In the sermon last, Paul preached a powerful message on the realization of long awaited Davidic hope. But the perspective of the listeners determined whether they accepted or reject the message. Today we will see how perspective changes things and how we should look at things from God's point of view... The Gospel Perspective.

1. Everyone was filled with interest (Acts 13:42-43; Mt 13:1-23; Mk 4:1-20; Lk 8:1-15).

2. The Jews were filled with jealousy (Acts 13:44-45,50).

3. Paul and Barnabas were filled with indignation (Acts 13:46-47,51; Mt 10:14; Mk 6:11; Lk 9:5).

The Believer's were filled with joy! (Acts 13:48-49,52).They believed the message and they were filled with joy and with the Holy Spirit! Their perspective is excitement because God is doing a something new that is hard to believe. Thats the gospel perspective. What's your perspective? Do you have a gospel perspective?

We are encouraging social distancing in the hallways and sanctuary. You may wish to wear gloves and mask inside but this is not mandatory. There will be some soft music playing during the communion time and you can come up and take communion at the table a few at a time while observing social distancing.
