

The ACTS of Us: 46 - Shaking Off Snakes

Text: Acts 28:1-10; Various

Big Idea: We will face snakes of many kinds in life. Paul shows us in God how to shake them off and keep going.

Date: 02-14-2021 Beaver Creek Christian Church

I don't like snakes. Snakes are a metaphor for some of the troubles we face in life. Paul faced a very real snake but it may not have been as deadly as the other snakes he faced that night. Paul shows us how to shake off the snakes that try to bite us.

1. THE SNAKES OF CRISIS (Ac 28:3)

2. THE SNAKES OF CRITICISM (Ac 28:4-5)

3. THE SNAKES OF CYNICISM (Ac 28:6)

What snakes have gotten their fangs into you? Paul shows us the benefit of using our faith to shake off the snakes of life. It all starts when you put your faith in Jesus.
