Big Idea: Jesus can give us clear vision. Vision to see spiritually.

When our vision gets blurry we go to an eye doctor for help because our vision needs correction. The same is true in with our faith. There are so many things that can effect your spiritual vision and limit your abilities and productivity in the kingdom (Ps 119:18; 2 Co 4:18; Pr 29:18; Ps 119:48). John's gospel contains a wonderful 1-on-1 divine appointment of Jesus bringing both physical and spiritual vision. Let's look at the account in John 9 and see what we can glean about having clear vision.

1. JESUS HEALS THE PHYSICALLY BLIND (Jn 9:1-12; Mk 8:22-26, Mt 9:27-31; Ge 2:7; Jn 9:15; Jn 5:18).
2. JESUS GIVES AN "I AM" EXAM (Jn 9:13-35; 6:22-59; 8:12-30; John 9:5; 10:1-10; 10:11-21; 11:17-44; 14:6; 15:1-6).
3. JESUS HEALS THE SPIRITUALLY BLIND (Jn 9:36-41; Is 29:18; 35:5; 42:7; Mt 11:5; 12:22-23; Ge 3:15)

Are you in need of having your spiritual vision corrected? Jesus will can correct both physical and spiritual vision problems. But you have to want to see Jesus? Do you see Jesus clearly? Do you see him as the Son of Man? The Messiah? Are you ready to act... to wash the mud from your eyes so you can see the clear vision Jesus has for you?
